Re: No Further Action Decision Document  
Site 27B, Uncontrolled Dump Site  
OLF Barin  
Foley, Alabama

Dear Mr. Adams:

We have completed our review of the referenced document. Based on this review, we concur with the recommendations contained in the document that Site 27B be placed on No Further Action status. If regulatory requirements change or additional information is found which indicates a reevaluation of this position is necessary, you will be notified accordingly.

Contact Mr. David Thompson at 334-213-4322 if you have questions regarding this matter.

Sincerely,

James L. Bryant, Chief  
Engineering Section
